EDUCATION

INTERNATIONAL MASTER IN MARINE BIOLOGICAL RESOURCES (IMBRSEA)

GHENT UNIVERSITY
2022 - 2024

MBA - LEADERSHIP & TEAM MANAGEMENT

BIOEMPOWERS LEADERS
2025 - 2026

PROFESSIONAL CERTIFICATE IN PROJECT MANAGEMENT

COURSERA
2025

BACHELOR IN MARINE SCIENCES

VALENCIA CATHOLIC UNIVERSITY
2016 - 2020

ADDITIONAL RESEARCH & FIELD EXPERIENCE

FIELD RESEARCHER - BENTHIC BIODIVERSITY & COASTAL ECOSYSTEMS

TJÄRNÖ MARINE BIOLOGICAL LABORATORY | SWEDEN
2023

MARINE BIODIVERSITY CENSUS - LÉRINS ISLANDS MONITORING PROGRAM

UNIVERSITÉ CÔTE D'AZUR | FRANCE | 2023

LABORATORY & RESEARCH ASSISTANT ROLES

IATS/CSIC | ECOMARE/CRAM
2020

MULTIDISCIPLINARY OCEANOGRAPHY FIELD OPERATIONS

UCV | SPAIN | 2019

PROFESSIONAL EXPERIENCE

PROJECT OPERATIONS & INNOVATION COORDINATOR

BIONEXUS IMPACT | REMOTE | 2024 - 2025

- Coordinated operational workflows and reporting processes within innovation-focused EU projects.
- Supported stakeholder communication, project tracking, and multidisciplinary collaboration.
- Contributed to process optimisation and structured coordination across work packages.

PROJECT COORDINATOR

SOLAGA UG | BERLIN, GERMANY | 2025

- Supported coordination of sustainability and biotechnology-related initiatives.
- Assisted in project planning, documentation, and operational follow-up.
- Collaborated with international teams in research and innovation activities.

RESEARCHER ON MARINE BIOPRODUCTS

AQUAPET | FARO, PORTUGAL | 2024

- Participated in a marine bioproducts research project focused on pet applications.
- Coordinated laboratory activities, protocols, and project-related documentation.
- Supported reporting and communication of technical outcomes.

CO-FOUNDER

PROCUC | SPAIN | 2021 - 2022

- Co-founded an insect-protein startup focused on sustainable food systems.
- Managed operations, logistics, supplier coordination, and business development activities.
- Participated in early-stage strategy, communication, and stakeholder engagement.

MARINE FIELD OPERATIONS ASSISTANT - CETACEAN & ALGAE RESEARCH

ARDITI / MARE | MADEIRA, PORTUGAL | 2021

- Participated in marine biodiversity and cetacean monitoring expeditions.
- Collected biological and acoustic field data under offshore operational conditions.
- Supported laboratory and marine research activities.
